

## **NYMTC LAUNCHES NEW, INTERACTIVE WEBSITE FOR 2040 REGIONAL TRANSPORTATION PLAN**

The New York Metropolitan Transportation Council (NYMTC) is currently in the process of preparing the 2040 Regional Transportation Plan. This document will outline the transportation planning for the Lower Hudson counties of Westchester, Rockland and Putnam along with Suffolk and Nassau counties on Long Island and will include the five boroughs of New York City. NYMTC views participation by the region's diverse population as a vital component in the formulation of the 2040 Regional Transportation Plan. To this end a new interactive website was launched to make it easier for people to share their concerns and ideas, provide feedback and participate in the development of the Regional Transportation Plan.

In addition to the website, NYMTC is preparing a series of Open Houses, three of which are scheduled for the Lower Hudson Valley:
